Service Gratuities (Tips): It is customary to extend gratuities (tips) to the shipboard staff for their services. How much to tip is a personal matter and completely up to our guests. Our recommended guideline to what is appropriate is \$16,00 USD per person, per day for guests in standard stateroom accommodations and \$ 18,00 USD per person, per day for guests booked in suites. For your convenience, we automatically add the recommended gratuities to the guest's Sail & Sign account on embarkation day. At the discretion of the guest, they may adjust the gratuities at any time while onboard (prepaid gratuities can not be adjusted onboard).

Early Saver is a Special Rate that rewards consumers who book early with the lowest rate guaranteed. In addition, the fares are backed by a unique price protection policy. With this unique protection policy, if you find a lower Carnival advertised fare, after booking, for the same sailing and accommodations Carnival will issue the difference in the form of a non-refundable, non-transferable onboard credit. Please contact us in this matter.

Repeater: Did the guest already travel with Carnival? Please specify the Past Guest Number when making an option (you will be able to find the Past Guest Number on the Sail & Sign card).
